Dear Mr. Getten:

RE: ML 3092 Perlite
S/001/027 Beaver County

Thank you for your immediate response to my letter of April 26 regarding unapproved exploration operations upon lands within the above-numbered lease. Staff will visit the site of operations in the future and will determine what reclamation or bonding, if any, may be required.

Now that you are aware of the division's notification requirements, please submit the required notice of intent at least 60 days prior to any further operations upon these lands.

Sincerely,

JOHN T. BLAKE
MINERAL RESOURCES SPECIALIST
